GST No: 06AAHFF2334B1Z1

Quotation

Catalogue Website + CRM & Lead Management

QUOTATION NO.
WT/2026-27/UC-01

DATE OF ISSUE
12 October 2026

VALID UNTIL
11 November 2026

QUOTATION TO

Umang Communications Private Limited

H.No: 201, Adagudam, Near Hanuman Mandir,
Lokhra Road, Guwahati, Assam 781034
GSTIN: 18AABCU2874Q1ZL

Attention: The Director / Authorised Signatory

Industry: Product catalogue, reseller and B2B sales

ENGAGEMENT SUMMARY

Engagement: Catalogue website with customer, sales-team, reseller and lead management

Deployment: Your domain and hosting account

Users: Unlimited admin, sales-team and reseller users

Commencement: On acceptance of this quotation

Payment structure: Three milestones, each released on delivery

Scope of Work

The following modules are covered by this quotation. Final field-level specification is confirmed and signed off during the requirement-gathering stage under Milestone 1.

- **Catalogue Website** — Product categories, search, filters and product detail pages
- **Brochure & PDF** — Downloadable catalogue, brochure and pricelist using predefined templates
- **Customer Management** — Customer records, enquiry management and basic lead status
- **Sales Team** — Sales contact details and basic lead assignment
- **Reseller** — Basic reseller / customer access
- **SEO** — Basic on-page SEO, metadata and sitemap
- **Marketplace Presence** — Links to IndiaMART, Justdial, Google, TradeIndia and AJIO
- **Chatbot** — Basic rule-based chatbot or enquiry assistant
- **Video & Use Cases** — Video posts, testimonials and use-case highlights
- **Lead Generation** — Enquiry forms, WhatsApp button and lead capture
- **Admin Panel** — Manage products, prices, categories, videos and enquiries

Agreed Payment Schedule

Milestone	Stage and deliverable	Indicative date	Amount (INR)
01	**Project initiation, requirement gathering and design sign-off** Module-by-module requirements confirmed, product data structure agreed, page layouts approved. Ends with a signed scope sheet.	Day 1–5	10,000
02	**Working build, demonstration and feedback** Catalogue, CRM, admin panel and lead tools built on staging with your own product data, demonstrated to your team, feedback recorded and applied.	Day 6–14	14,000
03	**Go-live, training and handover** Deployed live on your domain and hosting, admin and sales team trained, marketplace links and SEO set up, 30 days of support begins.	Day 15–21	14,000
Total engagement value — exclusive of GST			**38,000**

Each milestone is released only after the stage it pays for has been delivered and accepted. More than seventy per cent of the engagement value falls due only once you have seen the system working with your own product data, and the final payment is released at go-live and handover.

What This Quotation Includes

- Complete discovery, process mapping and scope documentation
- Design, development and quality assurance of all modules listed in the Scope of Work
- Upload of your initial product, price and customer data, as supplied by you
- Deployment and configuration on your domain and hosting
- Role and permission setup for admin, sales team and resellers
- Training for your admin and sales team, delivered remotely or at your premises
- Test-live support during launch
- Interface and screen refinements arising from your team's feedback during the demonstration
- 30 days of post go-live support, bug fixing and refinement
- Backup configuration on your hosting
- Handover of source code, database and documentation on receipt of the final payment

Not Included

The following are billed to Umang Communications Private Limited directly by the respective providers, at cost and without any mark-up by us. We will handle the technical integration of each.

- Domain name, SSL certificate and web hosting
- Marketplace listing or subscription fees (IndiaMART, Justdial, TradeIndia, AJIO and others)
- Paid SMS, email or WhatsApp Business API usage, should you choose to enable it
- Product photographs, videos and written content, unless supplied by you
- Paid third-party plug-ins or licences, should any be required
- Any entirely new module not defined in the Scope of Work above, which will be quoted separately

Optional, Quoted Separately

Not part of this quotation. An advanced AI-based chatbot, online payment / e-commerce checkout, a native mobile app, and additional marketplace integrations beyond those listed are available on request and will be quoted separately. None is bundled into the amount above.

Terms and Conditions

1. **Taxes.** All amounts stated are exclusive of GST. IGST will be charged at the applicable prevailing rate (currently 18%) on each milestone invoice, as the supplier is registered in Haryana and the recipient in Assam.
2. **Invoicing and payment.** A tax invoice is raised on achievement of each milestone. Payment is due within seven days of invoice date.
3. **Scope definition.** The detailed specification is locked during the requirement-gathering stage under Milestone 1, and is confirmed against your feedback on the working build at Milestone 2. Adjustments, layout changes, field additions and refinements within the agreed scope are included throughout the engagement. An entirely new module outside the agreed scope will be quoted separately before any work begins on it.
4. **Client responsibilities.** Umang Communications Private Limited will nominate one internal owner for the rollout, provide product data, price lists, logos and content in any readable format, and be available for the requirement-gathering and demonstration sessions. Timelines assume reasonable availability of this input.
5. **Confidentiality.** A non-disclosure agreement will be executed before any data is shared. All client data remains the property of Umang Communications Private Limited. Flamecloud LLP retains no copy of client data after handover, and no part of the system built for Umang Communications Private Limited will be resold or reused for another client.
6. **Ownership.** The system is deployed on a domain and hosting account owned and controlled by Umang Communications Private Limited. Full source code, database schema and technical documentation are transferred to Umang Communications Private Limited on receipt of the final milestone payment. There is no licence fee, no per-user charge and no renewal.
7. **Users.** Unlimited admin, sales-team and reseller users are included, for the lifetime of the system. Adding users at any point in future carries no additional cost.
8. **Support beyond the engagement.** Support is included at no cost for 30 days following go-live. Thereafter an optional annual maintenance contract is available at 10% of the engagement value, being INR 3,800 per annum, covering bug fixes, minor changes and priority support. This is optional and is not required for the system to continue running.
9. **Timelines.** The engagement is planned for completion within 15 to 21 days of commencement. Dates stated are indicative and are calculated from the date of acceptance of this quotation, which is the Milestone 1 commencement date. Material delay in receipt of data or in availability of your team for review sessions will shift subsequent dates correspondingly.
10. **Validity.** This quotation is valid for 30 days from the date of issue.

Acceptance

Acceptance of this quotation confirms the scope, payment schedule and terms set out above, and authorises commencement of the engagement.
